## ANAHEIM CHILI PEPPER

Anaheim Chili produces a 6-10" long flat, thick-walled smooth fruit.

This pepper has a tough skin, but it will peel off easily if you first char the chilies over a flame then steam in a paper bag for several minutes.

### Plant it Here!

Climbing  
Mass Planting  
Gardens

### Serve it up

Raw	Fried
Baked	Sautéed
Broil	Grilled
Roast	Stewed
Par-boil	Steamed

### Harvest Instructions

Pick these peppers when they reach full size and are still green for a mild flavor

Allow them to ripen and turn red for a hotter flavor

### Health Benefits

Loaded with Antioxidants  
Vitamin K and  
Vitamin A

A fresh and healthy  
way to  
better living™
