Petunia - 'Easy Wave'

The Easy Wave Petunia produces velvety green foliage and adorns itself with an abundance of bold blooms. The mounding, trailing growth habit and colorful blooms makes this a great choice for landscape, baskets and containers! Its blooms are scattered among the foliage and bloom through early Spring, Summer, and Fall. Easy Wave Petunias are desired most for their bold, bugle-shaped blossoms and mounding, trailing growth habit for landscape, beds, baskets and containers. This is a great annual for early Spring, Mother's Day, Summer and Fall. The Easy Wave Petunia prefers sun but can tolerate some shade. They mature to about 6-12" tall and about 20-30" wide. The Easy Wave grows best in moist, well drained soil. Please remember, this pretty may need a little extra TLC and more consistent watering when in a container or basket!

The Easy Wave Petunia is available in Red, Salmon, and White Improved.
