Verbena - 'Lanai'

Lanai Verbena is a wonderful all-season annual that looks beautiful in containers, beds and hanging baskets.

Lanai Verbena is very easy to grow and is a strong garden performer. The mounding and trailing habit makes them excellent choices for baskets and mixed containers. Lanai Verbena produce large beautiful florets and sport dark green foliage. They are early flowering and have a branched habit. The Lanai performs great in cool weather and will tolerate light frost. They will also excel in high heat and are drought tolerant. You should keep their soil very well drained and avoid watering late in the evening. Lanai Verbena prefers full sun, but make sure it gets at least 6 hours of sun a day for the best looking results. Be sure to deadhead spent flowers to ensure continuous and prolonged flowering.

Lanai is available in Bright Pink, Peach, Purple Star, Red, Upright Bright Rose, Upright Magenta, Upright Purple Mosaic, and Upright Violet.
