SEDAN FLORAL GROWN SAFE™

BETTER BUSH TOMATOES

If you are a gardener with very little space then this is a tomato for you. The Better Bush Tomato is perfect for limited space or container gardens. The Better Bush plant has great yields and they produce longer than other determinate tomatoes. The lusciously juicy consistency of the Better Bush make them great for slicing. They have an old fashioned taste with a great garden-fresh flavor. Plant your Better Bush in the full sun with moist well-drained soil and it will give you a good yield of smooth, round, red fruit about 4" across.
