SEDAN FLORAL GROWN SAFE™
MOJITO™ MINT

There's nothing better than a refreshing mojito on a warm summer's day, especially if it's made with Sedan Floral's own Mojito™ Mint. Its scent and flavor are mild and warm, making this combination different than any other mint. This perennial is easy to grow and can become invasive, so do not hesitate to trim it down if necessary - it will grow back! Mojito™ Mint grows easily in sun or shade. Its unique taste will leave you wanting more, which is great because it grows like crazy. So satisfy your thirst this summer with the "Real Mojito," complete with Sedan Floral's Mojito™ Mint.
