Impatiens - 'Dazzler'

The Dazzler Impatiens produce a green foliage and covers itself with bright blooms. The compact, extremely uniform growth habit and vivid blooms makes this a fantastic choice for landscape, baskets and containers! The blooms are approximately 1.5" wide amongst the foliage on short thick stems that bloom right up until the frost. These Dazzler Impatiens are desired most for their wide selection of bright, ever-blooming colors and uniform growth habit for landscape projects. This is a great annual for Spring, Mother's Day, Summer, and Fall. It matures to about 9-11" tall and about 13-15" wide. The Dazzler Impatiens prefer partial sun/shade and prefers fertile, moist soil. Trimming back dead blossoms encourages new blooms. Please remember, these lovelies may need a little extra TLC and more consistent watering, especially if in containers!

Dazzlers are available in Blue Pearl, Blush, Bright Eye, Cranberry, Merlot Mix, Orange, Punch, Red, Rose Swirl, Salmon, Star Mix, Violet, and White
