PANSY - Crown 'Azure'

Crown Azure features a light blue pansy that will blend and brighten in containers and landscapes. The Crown series features beautiful clear faced flowers that hold their color well in the garden. They have large blooms measuring about 3.5" in diameter.

Quite possibly the most popular and recognizable fall annual, pansies come in a wide variety of shapes and sizes. The flower size of pansies ranges from 2½" to 4" depending on the type. They are compact low-growers, making them ideal for edging and paths.

Plant them in well-prepared sunny to partly shady beds, making sure they get at least 3 hours of sun a day. Make sure you leave the crown of leaves above the soil because planting them too deeply can lead to root rot. They grow best in a loose, rich soil with regular water.

Don't over-water or they will begin to look disheveled. These colorful plants are far from high-maintenance, but as with most bedding plants, they may require a little TLC to add a gorgeous touch to your garden.

Plant it Here!

- Border
- Container
- Edging
- Mass Planting

Extra! Extra!

- Very pleasant scent
- Pansy foliage and blooms are edible
- Rich in Vitamins A & C
- Have been used in the making of syrup
- Great garnish for cold fruit or cream soups
