Supertunia

Supertunia's have a vigorous growth habit and tons of flowers that bloom all summer long. With their vibrant colors and mounding plants these petunia's are fast becoming household favorite's.

Supertunia's are a low maintenance plant. They are self-cleaning so no deadheading is necessary. This plant is perfect for landscaping or containers.

To keep your Supertunia's looking beautiful all season the recommendation is to fertilize every other week and trim when necessary.

Plant it Here!

Landscapes

Extra! Extra!

Give a trim to encourage more branching which leads to increased blooms.
