Impatiens - 'Silhouette'

10-12"

The Double Silhouette Impatiens produces a green foliage and covers itself with rose-shaped blooms. The mounding, semi-trailing habit and elegant blooms makes this a fantastic choice for baskets and containers! The double blooms are approximately 1.5" wide and extend just above the foliage on short thick stems. These Double Impatiens are desired most for their bright colors and fancy double blooms in containers and baskets. This is a great annual for Spring, Mother's Day, Summer, and Fall. The Double Silhouette Impatiens prefers partial sun/shade. It matures to about 10-12" tall and about 10-12" wide and prefers fertile, moist soil. Trimming back dead blossoms encourages new blooms. Please remember, these lovelies may need a little extra TLC and more consistent watering, especially if in containers!
